COMPETITIVE SOLOS/DUOS/TRIOS

DETAILS, PLEASE!

Competitive solos, duos and trios (S/D/T) for our 2024-2025 Season are open to all MADS dancers ages 4 and up! To be eligible, you must be enrolled in weekly classes at MADS (and we highly encourage you to join a competitive team).

Dancers choose the style (lyrical, jazz, pom or hip hop), song and costume. The initial cost for a S/D/T is \$295. With the instructor of your choice, you learn your routine from start to finish during your private lessons on the dates listed to the right (one 45 minute lesson each day). You are provided with a video and custom cut music file to practice at home.

Additionally, all dancers are required to book at least 2 private lessons each month during the season (private lessons start at \$35/30 minutes). There is a \$135 (solos) and \$165 (duos/trios) registration fee per competition. Dancers have the choice to compete at 3-5 competitions in February and March in Sioux Falls and Brookings, along with performing at our Competitive Dance Fundraiser Show in January. Dancers do not perform their routine at the Christmas Showcase or Spring Recital. We only encourage dancers to sign up for a S/D/T if they are committed to dance and will put in the time and effort needed to perform a successful and challenging routine.

Fundraising is available during the season to offset competition fees.

SUMMER SCHEDULE

CHOREOGRAPHY TIME SLOTS
