## what's new this year

### NEW BUILDING ADDITION

Our biggest change in the upcoming season will be our new building addition, including added lobby space, dressing rooms and a second studio! This allows us multiple ways to better serve you, highlighted below:

### PRIVATE LESSON TIMES:

We'll be able to accommodate more private lessons each week, at more convenient times, allowing more dancers to grow their skills with one-on-one attention.

### ADDED CLASSES:

Many of our current classes will now be split into two separate age groups to enhance the progression of each dancer (these classes include Junior Jazz, Junior Pom, Junior Hip Hop & Junior Lyrical). We also added a few more sections of our most popular classes.

### BETTER ENVIRONMENT FOR TINY DANCERS:

We know our big studio can be overwhelming for our finest dancers, so you'll notice the majority of our Tiny & Petite level classes are scheduled in our new, smaller Studio B.

## performances

**CHRISTMAS SHOWCASE:** Sunday December 15, 2024

**SPRING RECITAL:** Saturday May 17, 2025

Location: SDSU Oscar Larson Performing Arts Center
